

Pearson Field Information

Mr. Willy Williamson, the Pearson Field Airport manager will be discussing important information regarding Pearson's unique airspace.

Directions: The West Building of Pearson Field is home to Aero Maintenance Flight Center. They have made the upstairs classroom available for this seminar. There is an outside and inside staircase.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
